I agree to the following General Garden Rules:

1. Use only organic products.
2. One garden plot per family, household, or address.
3. I will work my plot at all times and understand that my plot may be reassigned to another gardener if I don't work my plot for an extended period of time, (2 months or more) or if I refuse to follow the General Garden Rules.
4. Do not harvest produce on other plots unless given specific permission from the tenant of that plot to do so.
5. Keep the area around my plot free from weeds and debris, including 6" on the outside of the perimeter fence if plot abuts the outer fence.
6. Remove, and properly dispose of, all garden waste, debris, etc. Do not put garden waste in the bushes, the waterway, trash can by basketball court, behind the garden, etc.
7. The garden shed has tools that may be used by all gardeners. Please do not remove these tools from the shed or garden area. If you break something please repair or replace it.
8. You may store your personal garden supplies in the shed, but please label them to avoid confusion and to ensure others do not use them.
9. There is an automatic irrigation system in the garden. You may connect to it for a one-time, non-refundable fee of \$20.00.
10. Report any irrigation or water leak issues to the garden manager immediately.
11. Do not leave water running, or hoses turned on, while not in the garden.
12. Enjoy yourself.
