## HALLOWEEN 2023

We look forward to the upcoming October community activities, which will culminate in the Halloween events on October 31<sup>st</sup>. As you're decorating for Halloween, please consider that, in order to fulfill their contract, Gothic's landscaping crew needs access to the lawns, trees and shrubs in the common area. Also, we request that **all Halloween decorations be removed by Monday, November 6<sup>th</sup>** to accommodate the annual tree trimming project. Be on the lookout for more information regarding the planned Halloween festivities.

## PHASE 1 OF ANNUAL TREE TRIMMING

Phase 1 of the University Glen Annual Tree Trimming Project is scheduled to commence the week of November 6<sup>th</sup>, starting with the trimming of the sycamore trees along Landing Cove, Smugglers Cove and Platts Harbor Drive. If you have any tree trimming concerns at specific locations in the neighborhood, please email the UGCAM office as soon as possible (photographs are helpful and appreciated).

In addition, in the interest of facilitating Phase 1 of the Annual Tree Trimming Project, *please refrain from putting up outdoor holiday decorations in the areas scheduled for trimming until after Thanksgiving.*
