

Community Update for University Glen Homeowners

Reminders & Contact Info

PICKLEBALL

A pickleball net is now available for use. A cabinet housing the portable pickleball net is located in the Hillcrest Fitness Center at the Hillcrest Pool House. Any member of the community can sign-out and use the pickleball net at the Community Park basketball court, and return it to the storage cabinet in the Hillcrest Fitness Center.

COMMUNITY BOARD GAMES

Thanks to a very kind resident, we now have a collection of board games for community use. Please feel free to play these games the next time you're hanging out in the Event Room. Have games you'd like to donate? Bring them down and add them to the basket collection by the TV.
