

Community Update for University Glen Homeowners

Reminders & Contact Info

SITE AUTHORITY UNIVERSITY GLEN TOWNHALL

The Site Authority will be holding a Town Hall on **Thursday, Wednesday, April 10, 2024**, to share information on the 2024/25 budget and respond to questions posed by the community.

John Spoor Broome Library, Exhibition Hall 1320, 6:00pm – 7:30pm

PLEASE DO NOT FEED THE RACOONS OR SQUIRRELS!

Feeding raccoons or squirrels (either on purpose, or by accident, such as via pet food or open garbage cans) isn't a safe thing to do! Feeding them increases their population in UGlen, which results in crowding, spread of disease, and increased aggression, particularly when the food supply is erratic or stops. Raccoon will lose their fear of humans because you are training them to seek out people for food. Consequently, you and your neighbors stand a much greater risk of raccoons tearing into your roof or soffit, and trying to nest there.

DIA DEL NIÑO/CHILDREN'S DAY @ CSUCI - APRIL 20, 2024

HILLCREST POOL RE-OPENING

The Hillcrest pool and spa heaters are heated and available for your enjoyment.
