

UNIVERSITY GLEN

GARDEN APPLICATION

Our community garden has a limited number of plots. The waitlist is long, and it could take a year or more to be assigned a plot. Each gardener is required to garden year-round, to follow the garden rules, and work in the common areas of the community garden a certain number of hours per month. When you receive a plot, you will receive a copy of the garden rules to sign and agree to.

If you want to be put on the waitlist, please complete the information below and email the completed form to our community manager, Jake Friesen at Jacob.friesen@seabreezemgmt.com with a copy to Carolyn Phillips at phillipscaroc@gmail.com.

Upon receipt, we will put your name on the waitlist and contact you when a plot is available.

We look forward to you joining us in our community garden.
