

UNIVERSITY GLEN COMMUNITY ADVISORY GROUP

Tuesday, July 16, 2026

In Attendance: Jake Friesen, Troy Brown, Kristopher Yeager, Mary Kennedy

Called to order at 11:31 AM

A special Community Advisory Group meeting was held to discuss an appeal process following a dispute over a Community Garden plot reassignment. Troy Brown proposed that the Community Advisory Group serve as the appeal body for decisions or recommendations from other community advisory groups and noted that this role could be added to the current bylaw revisions. Members supported the concept and discussed using a smaller panel of Community Advisory Group members to hear appeals. Troy Brown will provide a draft appeals procedure for review, after which Community Advisory Group will determine the appeal panel and move forward with the pending appeal.
